

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT)
FILING OF SIMPSON COUNTY WATER) CASE NO. 2012-00532
DISTRICT)

ORDER

On December 3, 2012, Simpson County Water District (“Simpson County”) applied for approval to adjust its rates pursuant to the purchased water adjustment procedure.¹

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. Simpson County purchases water from White House Utility District (“White House”).
2. White House has notified Simpson County that White House’s wholesale water rate to Simpson County will increase from \$2.1374 per 1,000 gallons to \$2.4960 per 1,000 gallons on January 1, 2013.

On November 29, 2012, Simpson District’s Board of Commissioners authorized an increase in Simpson District’s rates for water service to reflect the increase in White House’s wholesale rate effective for service rendered on and after January 1, 2013.

3. During the 12 months ending October 31, 2012, Simpson County purchased a total of 358,298,910 gallons from White House and sold a total of

¹ KRS 278.015; 807 KAR 5:068.

303,984,330 gallons. As a result of White House's wholesale rate increase, Simpson County's cost of purchased water will increase \$128,485.99, resulting in a purchased water adjustment factor of \$0.43 per 1,000 gallons.

4. The purchased water adjustment of \$0.43 per 1,000 gallons is fair, just, and reasonable and should be approved.

5. Simpson County's proposed rates, which are set forth in Appendix B, are fair, just, and reasonable and should be approved for service rendered on or after January 1, 2013.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment of \$0.43 per 1,000 gallons as calculated in Appendix A is approved.

2. Simpson County's rates, which are set forth in Appendix B, are approved for service rendered on or after January 1, 2013.

3. Simpson County's tariff sheets are approved as filed.

By the Commission

ATTEST:

Executive Director
